MESSAGE FROM OUR OWNER/DIRECTOR

Dear Parents and Students,

With another school year wrapping up, on behalf of the staff and management of Kanata Music Academy and Ottawa Music Academy, I would like to take this opportunity to thank you for your support in our mission to provide quality music education to you and your family in the 2018 - 2019 season. It is our greatest pleasure to offer education in music to students of all ages. We sincerely hope everyone had an enjoyable learning experience with our team. If you have any comments or suggestions that could

help us provide you with a better experience, please do not hesitate to reach out to myself or to our administrators. Suggestions are always sound advice for improvement, and we love to hear from you.

If you have enjoyed your past year with us, please pass on that experience to your friends and families, should anyone be looking for music lessons. Students are able to sign up at anytime or simply visit our Open House in August. Students who sign up at the Open House are exempt from the registration fee and referred students can benefit from our 10 class promotion package at a lower rate. Also, as another token of our appreciation, if your friends and families choose to sign up for our promotional 10 classes package as recommended by yovu, for each person you refer, we are offering a gift certificate valued at \$10.00!

Pre-registration has now opened and we highly encourage our students to secure their spot for next year. The Academies are open for special Summer hours if anyone would like to continue lessons throughout July and August. Please check with either your teacher or our administrator for availability in the Summer.

Lastly, we wish you a great summer and we look forward to seeing you all at our June recital. We hope to continue to offer the quality in music education to you and your family in 2019 - 2020 and for years to come!

Best regards,

Daisy Tang
