For more information on our prices and policy, please contact us, visit our stores or website.

All prices are subject to change without notice. The rent-to-own package enables students to purchase an instrument with minimal monthly payments. The first three months of monthly rental fees are 100% applicable to the full purchase price of the instrument, and thereafter 50% applicable. At any time, the rental agreement may be terminated, or the remaining sum may be paid in order to own the instrument.
